He has therefore now proposed to utilize the accrued material component to the full extent during 2015-2016 in other district also, duly relaxing the sharing pattern for MGNREGS works under convergence with other local funds from the ratio of 50:50 to ratio of 90:10 (MGNREGS – 90% and Convergence funds – 10%)

4. Government have examined the proposal and in relaxation of orders issued in G.O first read above, hereby permit the District Collectors of the remaining Districts to take-up the Cement Concrete Roads programme during the Financial Year 2015-2016 by utilizing the MGNREGS funds to the maximum extent of 90% and balance from the convergence funds from other sources. However, this relaxation is restricted to the available material component under MGNREGS and will be valid till 31.03.2016. This relaxation provision will not be applicable for 2016-2017 programme.
